THANK YOU FOR HELPING US MEND HEARTS... ONE GIFT AT A TIME!

Did you know? Congenital Heart Defect Awareness Week, held February 7-14, is an annual observance to promote awareness and education about congenital heart defects (CHDs). Nearly 1 in 100 children are born with a CHD, making it the most common birth defect.

Want to show you have a heart this valentine's day?

Trinity University students are making **heartgrams** and selling them to benefit HeartGift. **heartgrams** are hand-folded customizable origami hearts. Give this unique Valentine's gift for only 3 dollars, or add a bag of Hershey's kisses to your **heartgrams** for 6 dollars.

Email alexmottler120@gmail.com to order or for more information.
